Council Simply Kicks His Job from Under Him, Thereby Disposing of Difficulties and Saving a Salary.

Martin Tierney's resignation as treet commissioner, his withdrawal of the resignation, and the difficulty of finding a successor acceptable to both a Republican mayor and a Democtatic majority were disposed of el-ficacionaly and expeditionaly last night by the council. It abeliahed the office. The city engineer is to dismarge the duties of street or toner and inspector of sewers,

The ordinance abolishing the place was on City Clerk Hughes desk when the council meeting opened. He read it without preamble, and it was passed under a suspension of rules by

Mayor Bostright stated that no adlitional employe of any sort was to se put on the payroll as a result of the change. The city saves \$125 a month in salary. A volunteer watchdog of the treasury called attention today to the fact that the saving would just about balance additional salary expenditure next year, when councilmen will receive \$5 for every anoth Plans Starts on Victormeeting they attend.

The ordinance abolishing Tierney's job taxes effect March 15, Nothing was said about his resignation at last pight's meeting. The job was simply pulled from under him and thrown into the discard.

Chance For City Hens,

Council took a step in favor of hicken raising in the city on a small scale. Coops 6 by 8 feet may be put up inside the inner fire limits, accordig to a provision of Ordinance No. 547, placed upon its second reading.

This ordinance also provides that garages 25 by 16 feet may be built of wood in the outer fire limits, od in the outer fire limits,

a policy insuring the new city hall with the Occidental Fire Insurance company for \$10,000. The company says the policy has been in force ten months although the policy has been in force ten ponths although the policy has been in force ten ponths although the policy has been in force ten ponths although the policy has been in force ten ponths although the policy has been in force ten ponths although the policy has been in force ten ponths although the policy has been in force ten ponths although the policy has been in force ten policy has been policy has been in force ten policy has been policy ha Mayor Boatright called attention to nthe although no one at last night's meeting remembered that authority had been formally given for insuring the hall. The engineer said he found the policy recently and returned it to the company.

in Juvenile Court Work.

Launching of the Hig Brother Henry Groose has returned homovement, as an adjunct to Judge after a visit of several weeks in Cali Craig's volunteer juvenile coust, was among the steps decided apon by the charity committee of the Civic Bet-terment league at a meeting in the league office in the ctiy hall. Plans for effective organization work in

The meeting was attended by Mrs.

It was decided that the work of ridding the town of beggars be continued with unremitting vigor. For the estate of John Thomas Asron the purpose of ke-pine in touch with has started proceedings in the districtantiles that have been found worthy court to secure an order for the sale of help a regular corps of visitors is o be organized.

In the way of assisting Judge Craig in juvenile welfare work, the committee voted to secure volunteer pro-bation officers, and men and women who will act as Big Brothers and Big Sisters to the boys and girls caught in the law's net. The Big Brother and Big Sister act toward the boy or girl assigned to them in just the way the term implies; they take the place of big brother and big sister the lives of the young delinquents o much has been written of the Big movement that few newspaper readers are not familiar with

s sims and methods and results. The committee will also undertake investigate for Judge Craig such ases as he feels require investigaion before a hearing in court. That work will fall largely to Mr. Weir, who, having had years of experience in just that work, is an expect investigator of the causes contributing to venile delinquency
